Social Psychiatric Service

We are helping

- if you are suffering of fear or depression
- if you hear or see things that others do not hear or see
- if you are so desperate that you don´t want to keep on living
- if you became addicted to alcohol, medicine, or illegal drugs
- if you as a colleague, neighbor or relative need counselling about how to live together with someone who suffers of a psychological disease
- in a present situation of crisis

We give support in situations of crisis due to psychological problems by

- Supportive talks, information given on the telephone, and counselling
- Visiting you in your home
- Initiating contact to other additional supportive institutions
- Counselling in case of addiction to alcohol, medical or illegal drugs and initiating contact to other specific supportive institutions
- Supportive actions according to the German Social Laws
- Information about possible treatments and therapies

There are social workers, doctors and office workers working together in our team

- It is self-evident that our contacts are handled confidential.We are working according to professional discretion
- Our support is free of charge
